

State of Indiana
2009 – 2010 Qualified Allocation Plan

This “Allocation Plan” constitutes the “Qualified Allocation Plan” for the State of Indiana (the “State”), and is intended to comply with the requirements set forth in Section 42 of the Internal Revenue Code of 1986, as amended, including all applicable rules and regulations promulgated there under (collectively, the “Code”). As used herein, “Applicant” shall include any owner, principal and participant, including any affiliates. This Allocation Plan applies to all allocations of rental housing tax credits (“RHTCs”) pursuant to Section 42 of the Code, multifamily private activity tax-exempt bonds (“Bonds”), Rural Preservation Loan Fund, Indiana Affordable Housing and Community Development Fund, and HOME Investment Partnership funds (“HOME”) in conjunction with RHTCs (collectively “Rental Housing Financing Programs”) made in calendar years 2009-2010 and sets forth: (A) the role of the Indiana Housing and Community Development Authority (“Authority”) (“IHCD”) in administering the Rental Housing Financing Programs; (B) housing goals of the Authority based on the perceived needs throughout the State; (C) Guidelines for Developments receiving RHTCs in conjunction with Private Activity Tax-Exempt Bond Financing; (D) “set aside” categories established by the Authority pursuant to the Code and Indiana law to further the accomplishment of the State’s housing goals; (E) minimum threshold requirements which all Applicants and housing Developments must satisfy in order to be considered by the Authority for Rental Housing Financing; and (F) evaluation factors which the Authority will consider in analyzing each application that satisfies all applicable minimum requirements.

A. Role of Authority

The Authority is empowered to act as the housing credit agency for the State to administer, operate and manage the allocation of RHTCs, also known as the Low-Income Housing Tax Credit program, pursuant to Section 42 of the Code and this Allocation Plan.

The actions, determinations, decisions or other rulings made by the Authority pursuant to this Allocation Plan shall not be construed to be a representation or warranty by the Authority as to a Development’s compliance with applicable legal requirements, the feasibility or viability of any Development or of any other matter whatsoever, and no action of the Authority shall be relied upon by any person as a representation or warranty by the Authority in connection therewith.

The Authority reserves the right to resolve all conflicts, inconsistencies or ambiguities, if any, in this Allocation Plan or which may arise in administering, operating or managing the allocation of Rental Housing Financing Programs. The Authority in its sole discretion reserves the right to, and may from time to time, amend this Allocation Plan, pursuant to the Code, for any reason, including to assure compliance with applicable federal, State or local law and regulations there under which may be amended and/or enacted and promulgated, from time to time and/or to terminate the Program.

B. Authority’s Housing Goals

The selection criteria set forth in this Allocation Plan include, in part, consideration of: (1) Development location; (2) housing needs characteristics; (3) Development characteristics, including whether the Development uses existing housing as part of a community revitalization plan; (4) sponsor characteristics; (5) tenant population with special housing needs; (6) the existence of a public housing

waiting list; (7) tenant populations of individuals with children; (8) Developments intended for eventual tenant ownership; and (9) Permanent Supportive Housing.

This Allocation Plan:

1. Has been established by the Authority utilizing the selection criteria required by the Code in determining housing priorities of the Authority, which are appropriate to local conditions;
2. Gives preference in allocating Rental Housing Financing among selected Developments that meet the Authority's Housing Goals.

The Authority's goals are to support and encourage Developments that:

- a. Serve the lowest income tenants, with set-aside units for tenants at or below 30% of the area median income rent levels, and provide documentation of financial and supportive capacity, in the opinion of the Authority, to make the Development financially viable for the compliance period;
 - b. Minimize displacement of existing tenants;
 - c. Are located in qualified census tracts ("QCTs") and/or difficult development areas ("DDAs") (as designated by the Secretary of the Department of Housing and Urban Development ("HUD")), and/or Areas of Chronic Economic Distress as designated by the State and approved by the Secretary of the Treasury and the Secretary of HUD (See Appendix F), and the development of which contributes to a concerted community revitalization plan;
 - d. Substantially upgrade and preserve existing low income housing and are a part of a published community revitalization plan;
 - e. Are obligated to serve tenant populations with special housing needs;
 - f. Minimize possible negative impact on existing affordable housing units in an area;
 - g. Increase the supply of Permanent Supportive Housing through community-based partnerships for homeless individuals and families.
3. Provides procedures that the Authority (or an agent or other private contractor of the Authority) will follow in monitoring for compliance with the provisions of the Code notifying the Internal Revenue Service of any noncompliance of which the Authority becomes aware, and in monitoring for compliance with habitability standards through regular site visits.

C. Housing Priorities

After considering the housing needs identified, the Authority has established certain housing priorities for the allocation of RHTCs to better enable the Authority to achieve its housing goals. In connection therewith, the Authority seeks to encourage and promote:

1. Developments which will require an allocation of Rental Housing Financing for the acquisition (if applicable), development and/or rehabilitation of such Development to become a reality.
2. Developments that will be of quality design, financially feasible and otherwise viable as a qualified low-income housing Development throughout the compliance period.
3. Distribution of Rental Housing Financing among Large Cities, Small Cities and Rural Areas, while emphasizing those areas identified as having greater housing needs.
4. Rehabilitation which substantially upgrades and preserves existing low-income housing and is part of a published community revitalization plan.
5. Developments which meet special needs in a community or area, such as permanent supportive housing for the homeless, or larger families, mixed income or specially equipped Developments for the elderly and disabled.
6. Developments that provide housing for the lowest income households for the longest period of time possible.
7. Developments that provide housing for the lowest income households providing optional supportive services.

D. Private Activity Tax-Exempt Bond Financing

Pursuant to the Code, Developments that do not receive a direct allocation from the Authority because such Developments qualify for the four (4%) percent RHTCs under the Code, must nevertheless satisfy and comply with all requirements for an allocation under this Allocation Plan and the Code. See Schedule D - Private Activity Tax-Exempt Bond Requirements.

Applicants requesting to have the Authority act as the Issuer for the Tax-Exempt Bond Financing and meet all requirements under the Allocation Plan, Code and Schedule D.

[Note: A Development that has applied for and/or received an allocation of tax-exempt bond authority will not be eligible for an allocation of nine (9%) percent RHTCs for said Development.]

E. Set Aside Categories

The Authority believes it can best achieve its housing goals by establishing set aside categories based on: (i) development by qualified not-for-profit organizations; (ii) special housing needs; (iii) Development location; (iv) Preservation and (v) Developments which serve the lowest income. More than one (1) set

aside category may be addressed by a Development, depending upon the location, characteristics and whether the owner is a qualified not-for-profit organization. However, a Development may only compete in one (1) Development Location set aside.

Note: There are no set aside categories for Bond financed Developments.

The Authority's "housing tax credit ceiling" for allocation in any one year is determined by the sum following of the following components:

1. Per Capita Credits – determined by the State's population.
2. Carry Forward Credits – if the Authority is unable or chooses not to allocate all the rental housing tax credits in any one year, the unused credits will be carried forward for allocation in the succeeding year.
3. Returned Credits – credits that are returned from developments that received an allocation in previous years may be made available for allocation in the year the credits are returned or the succeeding year if returned after September 30th.
4. National Pool - if the Authority is able to allocate the tax credits to a de minimis amount in any one year, the State is then eligible to receive additional credits from a pool of credits returned unused by other states.

The set aside categories, their respective requirements and amount of the annual RHTCs allocated are described below. The Authority may exceed the award limitations identified in Sections E.1, E.2, E.3, E.4, E.5, and E.6 in order to completely fund a development request.

% of Available RHTCs		Set Aside Category	
10%		Qualified Not-for-profit	
10%		Special Housing Needs	
10%		Elderly	
10%		Large City	
10%		Small City	
15%		Rural	
	5%	USDA 515 Rural Development	
20%		Preservation	
5%		Housing First	
10%		General	

1. Qualified Not-for-profit

10% of available annual RHTCs will be set aside for Developments in which the "qualified not-for-profit organization" owns 100% of the general partner interest, receives at least 25% of the developer fee (if any developer fee is deferred, the for-profit's and not-for-profit's deferral must be proportionate to the amount of developer fee they are to receive), and materially participates in its operations, as such terms are defined in and pursuant to Section 42 of the Code and this Allocation Plan. [Note: 100% general partner ownership interest is only required by a qualified not-for profit for consideration in this set-aside and does not preclude joint ventures in any other set-aside].

Qualified Not-for-profit Organization Requirements:

A not-for-profit organization shall not constitute a "qualified not-for-profit organization" if the not-for-profit organization is affiliated with or is controlled by a for profit organization. To constitute a qualified not-for-profit organization throughout the compliance period: (i) one of the not-for-profit organization's exempt purposes must include the fostering of low-income housing, (ii) the not-for-profit organization must own 100% of the general partner interest in the Development, (iii) the not-for-profit organization must materially participate (as defined in Section 469(h) of the Code) in the development and operation of the Development, (iv) the not-for-profit organization must comply with all other Sections of the Code applicable to not-for-profit organizations, and (v) has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual. The not-for-profit must have been in existence at least one year prior to the date of application, with affordable housing as one of its primary goals.

Required Documentation: At the time of application, Articles of Incorporation or its formation documents for the not-for-profit, IRS documentation of tax-exempt status (e.g. §501(c)(3)), and a complete signed original Not-for-Profit Questionnaire (Form B) with required attachments must be submitted by the Applicant and placed in Tab B.

2. Special Housing Needs

- a. 10% of available annual RHTCs will be set aside for units that provide residential housing for "special needs populations", pursuant to Indiana Code ("IC") 5-20-1-4.5. Special needs populations includes the following:
 - 1) Persons with physical or developmental disabilities.
 - 2) Persons with mental impairments.
 - 3) Single parent households.
 - 4) Victims of domestic violence.
 - 5) Abused children.
 - 6) Persons with chemical addictions.
 - 7) Homeless persons.
 - 8) The elderly.

The Authority shall allocate RHTCs under this section based on the proportionate number of set aside units of a qualified building that are used to provide residential housing for persons with disabilities. The Authority shall hold, if available, the allocation to the set aside category for persons with a disability through October 31 of each calendar year and beginning November 1 of each such calendar year, any part of such allocation that remains unassigned shall be available for any other appropriate allocation.

- b. 10% of available annual RHTCs will be set aside for Developments specifically designed for use by elderly tenants. Elderly is defined, for the purpose of this Allocation Plan, as those persons 55 years of age or older on or before the date of initial occupancy. No less than eighty percent (80%) of the housing units shall be restricted for and solely occupied by at least one resident in each unit who is 55 years of age or older (Owners considering and/or receiving an allocation under this set aside should be familiar with the Housing For Older Persons Act (an amendment to the Fair Housing Act) and the Implementation of the Housing For Older Persons Act Final Rule.)

3. Development Location

All Applications for RHTCs will compete in only one Development Location set aside defined below:

- a. 10% of available annual RHTCs will be set aside for Developments located within a Large City. For purposes of this set aside Large City is defined as a city with a population of 75,000 or more (See Appendix D). The Development must be located within one mile of the zoning jurisdiction and/or use city utility services (water and sewer). Each Large City will be limited to \$1,000,000 in annual RHTCs per funding year for new construction developments. IHCD will permit an exception to the limit where the Development is part of a Revitalization Plan (a copy of the approved Revitalization Plan must be submitted in Tab A in order to be considered for this exception) or the Development entails the demolition and decentralization of units with replacement of units on the same site.
- b. 10% of available annual RHTCs will be set aside for Developments located within a Small City. For purposes of this set aside Small City is defined as a city with a population of 15,000 – 74,999 (See Appendix E). The Development must be located within one mile of the zoning jurisdiction and/or use city utility services (water and sewer). Each Small City will be limited to \$800,000 in annual RHTCs per funding year for new construction developments. IHCD will permit an exception to the limit where the Development is part of a Revitalization Plan (a copy of the approved Revitalization Plan must be submitted in Tab A in order to be considered for this exception) or the Development entails the demolition and decentralization of units with replacement of units on the same site.
- c. 15% of available annual RHTCs will be set aside for Developments located in areas designated as "Rural", with a population of 14,999 or less, and/or for Developments

utilizing Rural Development Funding. Each County that has a designated “Rural” area will be limited to \$800,000 in annual RHTCs per funding year for new construction developments. IHCD will permit an exception to the limit where the Development is part of a Revitalization Plan (a copy of the approved Revitalization Plan must be submitted in Tab A in order to be considered for this exception) or the Development entails the demolition and decentralization of units with replacement of units on the same site.

One-third (5 %) of total available annual RHTCs of the rural location set-aside’s annual RHTCs will be reserved for developments proposing the acquisition and rehabilitation or rehabilitation of current properties financed with United States Department of Agriculture (USDA) Rural Development Section 515 mortgages (RD 515) listed on an Eligible Properties list provided by USDA. A copy of the Eligible Properties list can be found on IHCD’s website at <http://www.in.gov/ihcd/>. RHTCs not used by Eligible Property applications will be first rolled back into the main rural location set-aside.

If any part of the State of Indiana is officially declared a disaster area by the Governor, the Authority may give preference to Developments in this area which will assist in providing affordable housing to people affected by the disaster. In order to be considered for this priority the Development must provide the following information in Tab A:

- 1) Documentation that the Development has been officially declared a disaster area by the Governor.
- 2) A narrative description of how the proposed Development will help the area and the individuals affected by the disaster.

4. Preservation

20% of available annual RHTCs will be set aside for Developments which involve the substantial rehabilitation (as outlined in the property’s Capital Needs Assessment – See Schedule F) of an existing structure (affordable or market rate housing, or otherwise) and/or a Development otherwise in danger of being lost as affordable housing, and/or the demolition and decentralization of housing units utilizing the same site (over 50% of the units must be replaced in the Development/Application).

This includes:

- a. Developments being removed by a federal agency (i.e. HUD, Rural Development (RD));
- b. Rental Housing RHTC Developments with Compliance Periods that have expired or are expiring in the current year;
- c. Developments which entail demolition and decentralization of units with replacement of units on the same site as described above; and
- d. Re-use of an existing structure(s) for conversion into affordable housing where a minimum of 75% of the Development is converted to affordable housing and/or its

common areas (100% of the existing structure must be part of the overall Development).

Rehabilitation hard costs must be in excess of \$15,000 per unit to be considered in this category.

For Developments competing in all other set-asides, rehabilitation hard costs must be in excess of \$10,000 per unit.

5. Housing First

5% of available annual RHTCs will be set aside for Housing First Developments that further the creation of community-based housing that targets the extremely low income (less than 30% AMI) with intensive service programs. Housing First is an innovative approach to engage and rapidly house individuals who are homeless into permanent supportive housing and to provide intensive and flexible services to stabilize and support housing tenure. Eligible Housing First applicants who complete the Indiana Supportive Housing Institute may apply and receive a reservation of tax credits outside of the published rounds identified in Section H.1: Miscellaneous – Application Dates.

Key principles on the Housing First model of permanent supportive housing are:

- Changing the system, not the person: the major shift of this model is how services are provided. In many cases, services are offered on-site rather than expecting individuals to show up at an agency for services. Staff are constantly working to engage residents and are trained in evidence based practices, such as assertive community treatment, that have been shown to be effective for hard to serve populations;
- Tenant choice on accepting clinical service: Services need to be readily available with staff continually working to engage and build relationships with the tenants. No participation in clinical services is required in order to remain housed. A harm reduction approach is used in addressing chronic substance addiction.
- Focus is on being a good tenant: The main emphasis is on safety with interventions on behaviors that negatively impact an individual or the community. Skills such as managing finances, handling conflicts with other tenants, and managing the day-to-day responsibilities in apartments are essential for long-term tenancy.
- Eviction is a last resort: Service rich interventions are attempted to try to exhaust all other solutions prior to serving a tenant an eviction notice.
- Strength-based model with emphasis on building community: Peer support and community meetings are used to help individuals feel connected to their community.

Housing First Developments must submit a Supportive Housing Plan which describes or provides the following:

- a. Minimum Units – The Development must set-aside 10% of the units or 10 units (whichever is greater).
 - b. Site Suitability – How the development will meet the needs of the targeted population including accessibility features, access to transportation, and proximity to community amenities.
 - c. Affordability – How the development will make their units affordable to the targeted populations.
 - d. Access to Services – How an array of services, including those aimed at tenant retention, will be made available both on and off-site for tenants to access according to their needs, including a budget for services and funding sources that have been secured or will be sought.
 - e. Referral, Screening, and Communication –
 - 1) Tenant referral and screening process, including steps followed by all parties to negotiate Requests for Reasonable Accommodations and modifications under Fair Housing Laws to facilitate the admittance of persons with disabilities into the development.
 - 2) How the property management and the agency providing the on-site support coordinator will communicate, accommodate staff turnover and assure continuing linkages between the Development and the agency providing the on-site support coordinator for the duration of the compliance period.
 - f. Agreement Among All Parties –
 - 1) Demonstrate a clear separation of property management and supportive service provision functions within or among partner organizations to assure confidentiality of tenant information.
 - 2) Plan to affirmatively market to persons with disabilities and include a section on reasonable accommodations and modifications in applications for tenancy. The Development may advertise as offering services for people with particular types of disabilities, but must admit other persons with disabilities who may benefit from the services.
 - 3) Use by the management agent of objective screening and income eligibility criteria to make decisions regarding offering applicants residency.
 - g. Demonstration of Participation – Developments that compete under the Housing First set-aside must demonstrate participation in the Indiana Supportive Housing Institute. Housing First applicants are also encouraged to participate or be involved with the
-

Continuum of Care process, Work One, Department of Mental Health and Addiction, Family Social Services Agencies, Veterans Affairs, and/or Supportive Housing Leadership Forum.

6. IHCD General

- a. 10% of available annual RHTCs will be set aside for Developments that further the Authority's mission, goals, initiatives, and priorities irrespective of the ranking by the evaluation factors. The Authority will exercise its sole discretion in the allocation of the IHCD General set-aside.

The Authority intends to make every effort to satisfy the requirements of such set-aside categories in one (1) application and reservation cycle. If such set-aside categories are not completed through one (1) application and reservation cycle for the applicable year, the Authority may allocate any RHTCs remaining available for allocation without regard to these set aside categories, so long as such allocation is made in accordance with the Code and the applicable requirements of the law of the State and the goals of this Allocation Plan; notwithstanding the foregoing to the contrary, upon completion of the scheduled reservation cycle (i.e., at such time as all or substantially all RHTCs available for allocation in a calendar year have been allocated, other than de minimus amounts of RHTCs not reasonably susceptible to allocation to a Development) the Authority, in its discretion, may hold another application and reservation cycle. If another application and reservation cycle will be held, the Authority will provide an announcement thereof. Provided, that: (i) the Authority may, in its sole discretion, elect in any reservation cycle not to allocate RHTCs to a Development that might otherwise qualify for an allocation.

Notwithstanding the point ranking system set forth in this Plan, the Authority reserves the right and shall have the power to allocate Rental Housing Financing to a Development irrespective of its point ranking, if such intended allocation is: (1) in compliance with Section 42 of the Code; (2) in furtherance of the Housing Goals stated herein; and (3) determined to be in the interests of the citizens of the State of Indiana. Additionally, the Authority will provide a written explanation to the general public for any allocation of RHTCs, which is not made in accordance with the established goals, priorities, and selection criteria in this Allocation Plan.

F. Threshold Requirements

Each Development applying for an allocation of Rental Housing Financing must satisfy the requirements of the Code, such additional requirements established by the Authority, the Program and those set forth in this Allocation Plan, and any additional requirements relating to the continued compliance of the Development after an allocation of Rental Housing Financing by the Authority. All material used in the Development must be new and of high quality, and all work must be performed in a good and workmanlike manner.

1. Federal Threshold Requirements

Each Development shall satisfy all requirements of Section 42 of the Code and such additional provisions of the Code and other federal laws applicable to each Development throughout the required compliance period and/or other applicable period. These requirements include, without limitation:

a. Development Feasibility

Amounts allocated pursuant to this Allocation Plan may not exceed an amount, which the Authority, in its sole discretion, determines is necessary for the financial feasibility of a Development and its viability as a qualified low-income housing Development throughout the Compliance Period. In making this determination, the Authority shall consider: (i) the sources and uses of funds and the total financing planned for the Development; (ii) any proceeds or receipts expected to be generated by reason of tax benefits; (iii) the percentage of the RHTCs used or to be used for Development costs other than the cost of intermediaries, unless such consideration would impede the process of developing in hard-to-develop areas; (iv) the reasonableness of the developmental and operational costs of the Development; (v) the developmental and/or operational costs of the Development as compared to similar costs of other Applicants; and (vi) such other factors it may consider applicable.

The Authority may establish such criteria and assumptions it deems reasonable for the purposes of its determination, including, without limitation, criteria as to the reasonableness of fees, profits, assumptions as to projected occupancy, the amount of net syndication proceeds to be received, and increases in operating expenses and rental income. Any determination and/or allocation of Rental Housing Financing by the Authority shall not be construed to be a representation or warranty by the Authority as to the feasibility or viability of any Development.

Pursuant to the Code, the foregoing determination shall be made at: (a) the time of application for the Rental Housing Financing; (b) the time of allocation of the RHTC equity amount; (c) anytime there is a material change to the application and/or Development; and (d) the date the building is placed in service or at time of final application (but prior to the issuance of IRS Form 8609).

Required Documentation: The Application (Form A) and any additional documentation regarding the financial feasibility of the Development. Additional documentation may include third party documentation of sources, costs, and uses of funds that the Applicant may find necessary to include with the Application will be considered along with other such documentation the Authority may consider applicable. Additionally, if the Development is proposing commercial space the following proformas must be submitted: (i) a 15-year proforma showing only the commercial portion of the Development; (ii) a 15-year proforma showing only the housing portion of the Development; and (iii) a 15-year proforma showing the housing portion and the commercial portion of the Development combined. Place in Tab A.

b. Local Jurisdiction Notification

No Development shall be entitled to apply for any Rental Housing Financing reservation or allocation until the highest elected official of the local jurisdiction is notified and provided with a reasonable opportunity to comment on the Development. The Authority will consider the response of such official in determining any RHTC allocation for the Development.

Required Documentation: At least 30 days, but no more than 60 days, prior to application submittal, the Applicant must submit Form C (with the Applicant's portion completed) and any additional documentation they wish to provide by certified mail or other service together with appropriate evidence of receipt, of its intent to develop affordable housing to the highest local elected official in the community where the proposed Development will be located. Copies of such information, the returned receipt from the certified mail or other acknowledgement of receipt of the documentation by the highest local elected official (or authorized designee), and any written response(s) from the local officials are a required part of the Rental Housing Finance Application and must be placed in Tab B.

c. Not-For-Profit Participation

A not-for-profit competing for Rental Housing Finance Program funding that has an ownership interest in the proposed Development must submit to IHCD at the time of application a resolution from its Board of Directors that includes language that approves: 1) the application being made for specific Rental Housing Funding (i.e. private activity tax-exempt bonds, RHTC, Rural Preservation Loan Fund, HOME, Development Fund); 2) the amount of ownership interest the not-for-profit has in the venture; 3) the not-for-profit's specific liabilities in the Development; and 4) the anticipated amount of Developer Fee the not-for-profit will receive.

Required Documentation:

- i. Resolution signed by the not-for-profit's Board of Directors must be placed in Tab C. If the document is approved during a Board of Directors meeting, a quorum should pass and sign the resolution and such resolution shall be incorporated into the Minutes of the meeting.
- ii. All not-for-profits with any ownership interest in the Development and that wish to compete in the Not-for-profit set-aside must submit a signed Not-for-profit Questionnaire with required attachments (Form B) and be placed in Tab C.

d. Market Study

See Schedule C - Market Study Requirements. A Comprehensive market study must be prepared at the developer's expense by a disinterested third party from the approved Indiana Market Study Analyst list (The approved list of market study analysts can be found at <http://ihcda.in.gov/>). Sufficient demand in the market area of the Development must exist and,

based on reasonable predictions, will continue to exist during the term of the Compliance Period or other applicable period, for the number of units to be developed.

Upon receipt of the market study, IHCDCA will submit the market study to a reputable independent market analysis professional for an independent review of the market study. IHCDCA reserves the right to accept or decline the corresponding tax credit application from further review based on the recommendations of the independent market analysis professional.

Note: The market analysis firm performing the IHCDCA independent review of the market studies (as mentioned above) will not be permitted to perform or submit market studies for a Development submitting a 2009-2010 IHCDCA funding application.

Required Documentation: A comprehensive market study of the housing needs of low-income individuals in the area to be served by the Development, satisfactory to the Authority at the time the initial Application, must be performed and submitted to IHCDCA. One PDF copy on a CD-ROM of the study must be submitted with the application and must state the name of the Development, the Owner, Development City, and Development County on the front cover. The market study must be no more than twelve (12) months old at the time of submission to IHCDCA. Place in Tab N.

2. Additional Threshold Requirements of the Authority

All information submitted to the Authority pursuant to this Allocation Plan must be satisfactory to the Authority in its sole and absolute discretion. If the Authority requests additional information from an Applicant, such information must promptly be submitted within timeline(s) determined by the Authority. **Additionally, all documentation (e.g. certifications, letters, market studies, etc.) must be issued/dated within 12 months prior to the Application deadline date.**

IHCDCA, in its sole discretion, will consider a waiver of this limitation request from any Applicant, Owner and/or Developer in regards to any of the following Threshold Requirements of the Authority. The Authority must receive the waiver request no later than 30 days prior to the application deadline. The waiver request must include 1) the details of the specific Threshold requirement for which to Development is requesting a waiver, 2) a detailed description as to why the Development cannot meet the Threshold requirement, and 3) any additional information the Applicant would like IHCDCA to consider with the request. IHCDCA will provide a written response to the request within 20 days of receiving the waiver request.

For a Development to be evaluated for an allocation of RHTCs, each of the following requirements must also be satisfied:

- a. The Authority will not consider or review more than one Application for the same Development or for substantially the same or similar costs submitted by a related Applicant with respect to a particular reservation and application cycle. Submission of more than one Application shall

cause the cancellation of any pending Application earlier awarded. Request for supplemental RHTCs will only be permitted after all qualified Developments have been funded. The Authority will notify the public if RHTCs are available for supplemental funding. However, supplemental RHTCs will only be considered for allocations made in the same year.

- b. Until an Applicant, Owner and/or Developer has successfully completed (i.e. has been issued IRS Form 8609) at least one (1) Development in Indiana, the Authority will not consider or review an Application for a Development from the Applicant, Owner and/or a Developer if such Application would, when added to all other RHTC allocations made to the Applicant, Owner and/or Developer, aggregate more than \$800,000 in annual RHTCs.

IHCDA, in its sole discretion, will consider a waiver for an Applicant, Owner and/or Developer that has materially participated in a successfully completed (i.e. has been issued IRS Form 8609) Development in Indiana while associated/working for a different organization/company. The Authority must receive the waiver request no later than 30 days prior to the application deadline. The waiver request must include 1) the Name and BIN of the Development(s) in which the Applicant materially participated, 2) the role the Applicant played in each Development, and 3) any additional information the Applicant would like IHCDA to consider with the request. IHCDA will provide a written response to the request within 20 days of receiving the waiver request.

Required Documentation: The Applicant, Owner, and Developer must submit the name and BIN Number of the most recent Indiana RHTC Development where they have participated with an ownership interest or been part of the Development team (including on a consulting basis). Completed Form A (Application).

- c. At the time an Applicant files an Application with the Authority, eligible development costs expended or incurred towards the Development and/or acquisition shall not exceed fifty percent (50%) of the total estimated eligible development costs, unless the Authority determines that:
 - 1) Rental Housing Financing is necessary for the Development to be completed; and
 - 2) The Development is located in either (a) a "qualified census tract" or (b) "difficult Development area", as designated by the U.S. Secretary of Housing and Urban Development ("HUD"). You may also view the information on HUD's website at: www.hud.gov; and
 - 3) Less than sixty-five percent (65%) of the estimated qualified eligible costs have been expended or incurred; and
 - 4) The Development will contribute to the accomplishment of the Authority's housing goals and priorities.

Required Documentation: Completed Application. See Form A. Place in Tab A.

- d. The Development Applicant/Owner, Developer, Management Agent and other members of the Development team as provided in the Rental Housing Finance Application must demonstrate

sufficient financial, development and managerial capabilities to complete the Development and maintain it for the Compliance Period and other applicable period.

Required Documentation: The Applicant must provide documentation to demonstrate sufficient financial, development and managerial capabilities. Documentation must include: 1) Up to date certified Financial statements from the Applicant, Owner (if formed) or its principals (must include all principals of the general partner interest) or from the individual(s)/entity providing guarantees for the Development, AND Developer (under the Applicant's, Owner's, and/or Developer's own affidavit respectively); AND 2) Resumes showing adequate experience of Developer and management company. This documentation must be placed in Tab D. The Authority, in its discretion, may require audited financials and/or copies of tax returns. If needed, the Authority will request this information from the Applicant.

- e. The Development team must show their readiness to proceed as demonstrated by:
 - 1) The Authority's receipt of a completed "Application" in the form required by the Authority and within the time period established and set forth in this Allocation Plan. Each Application must be type written and accompanied by the appropriate application fee and all exhibits. Additionally, the Applicant must provide a Narrative Summary of the Development. See Schedule G for Application Package Submission Guidelines.

Required Documentation: The most current Application (See Form A) completed, Narrative Summary of the Development, and a check made payable to IHCD for the appropriate Application Fee. The check should be attached to the application and placed in Tab A with the Narrative Summary.

- 2) Submitting satisfactory evidence of site control.

Required Documentation: The Applicant must submit documentation evidencing site control including verification of current ownership, examples of which include: 1) Purchase Agreement or Option that does not expire until after the reservation date for RHTCs with title insurance documentation (or attorney's opinion); 2) Warranty deed; or 3) Long-term lease option (term of lease must be for a minimum term specified in the Declaration of Extended Rental Housing Commitment). When an Applicant intends to acquire a site and/or building through a government body, in the Authority's sole discretion exercised on a case-by-case basis, the Authority may accept the following documentation as sufficient evidence of site control: (i) duly adopted resolutions of the applicable commission designating the subject area; (ii) duly adopted resolutions of the applicable commission authorizing the acquisition of the land to comprise the Development; and (iii) a letter from the applicable governmental agency or development commission setting forth the acquisition schedule for such land on a time table consistent with the Applicant's readiness to proceed without undue risk of Rental Housing Financing being returned to or rescinded by the Authority. This documentation must be placed in Tab E.

3) Development Site Information

Required Documentation: The Applicant must submit satisfactory: 1) schematics; 2) perimeter survey; 3) site plan (if flood plain and/or wetlands are located anywhere on the site, the site plan must show where the buildings, common areas, and any land improvements will be located in relation to the flood plain and/or wetlands – See Section H.4(12)(i) & (ii) of QAP); and 4) floor plans for units of the Development which, to the sole satisfaction of the Authority, show the Development is of quality design providing decent, safe and sanitary housing. The Authority reserves the right to perform (through its own representatives or its agents) site visits and evaluations of the Development to determine the satisfaction of these requirements. Place this documentation in Tab F.

- 4) The Applicant must demonstrate an ability to obtain financing (i.e. syndication proceeds, grants, other funds available for the Development).

Required Documentation: All sources of financing must be supported with appropriate documentation satisfactory to the Authority including the following documentation which must be submitted:

- a) Lender letter of interest submitted to the Applicant in support of the Applicant's application must contain a representation and acknowledgment from the lender that: (i) such lender has reviewed the same application submitted or to be submitted by the Applicant to the Authority in support of the Rental Housing Financing for the Development to which such letter of interest relates; (ii) lender expressly acknowledges that the Development will be subject specifically to the "40-60" or "20-50" set-aside, and extended use restriction elections made by the Applicant; (iii) the lender has reviewed the Minimum Underwriting Criteria set forth in this Allocation Plan; (iv) any other special use restriction elections made by the Applicant, which give rise to additional points in this Allocation Plan; and (v) the anticipated terms of the loan including loan amount, interest rate, and term of the loan. Place in Tab G;
- b) For financing not yet applied for, the Applicant must submit evidence of eligibility for the source of funding (e.g. a certification from the Applicant stating how the Development is eligible for the funding source). Developments applying for the Federal Home Loan Bank's (FHLB) Affordable Housing Program must identify their Member Bank and their regional FHLB. Place this documentation in Tab G;
- c) Equity letter of interest submitted by an Applicant in support of the Applicant's application must contain a representation and acknowledgment from the equity investor that: (i) such investor has reviewed the same application and market study submitted or to be submitted by the Applicant to the Authority in support of the Rental Housing Financing for the Development to which such letter of interest

relates; (ii) such investor expressly acknowledges that the Development will be subject specifically to the “40-60” or “20-50” set-aside, and extended use restriction elections made by the Applicant; (iii) the investor has reviewed the Minimum Underwriting Criteria set forth in this Allocation Plan; (iv) any other special use restriction elections made by the Applicant, which give rise to additional points in this Allocation Plan; and (v) the estimated dollar amount of equity to be provided to the Development. Place in Tab G;

- d) If any additional funding/financing of any kind has already been awarded for the Development, a copy of the award letter that includes the expiration date for the award must be submitted and placed in Tab G.
- e) The Development team must provide documentation to the sole satisfaction of the Authority that shows:
- f) The real estate upon which the Development will be located is currently properly zoned to allow for the proposed Development.

Required Documentation: The Applicant must provide: 1) a letter from the appropriate authorized government official (e.g. zoning commission) that describes the Development location and certifies that the current zoning allows for construction and operation of the proposed Development without the need for additional variance; AND 2) a copy of all approved variances on the property, if any; AND 3) If a Planned Unit Development (PUD) a copy of the appropriate documentation (i.e. organization & requirements). This documentation must be placed in Tab H.

IHCDA in its sole discretion may accept an attorney’s opinion with appropriate supporting documentation documenting that the proposed site’s current zoning allows for the construction and operation of the proposed Development without the need for additional variance. This will only be accepted with documentation of failed attempts to obtain the information from the appropriate authorized government official.

- g) At the time of application, there will be access to water, sewer, electric and/or gas to the site with sufficient capacity to satisfy the requirements of the Development.

Required Documentation: Completed Form A (Application) Section N.10.

- h) Evidence of Compliance

Every Applicant, Principal, Affiliate(s) and/or Development Team member (collectively, “Development Team”) with any ownership interest in a rental housing Development which has received an allocation of RHTCs by the Authority since the

inception of the RHTC program (January 1, 1987), must cooperate and comply with the Authority's compliance monitoring procedures. The Authority's monitoring procedures and requirements are set forth in the RHTC Compliance Manual, a copy of which is attached as Schedule A to this Allocation Plan and made a part hereof. If, in the sole discretion of the Authority, any Development Team member has materially failed to comply with the procedures and requirements of the Authority or any of its programs, the Code or any other governmental program, including, but not limited to, HUD and/or HUD funded programs: (i) the Authority may withhold or reduce, in whole or in part, Rental Housing Financing for which application is made, irrespective of whether the withheld or reduced funding relates to the Development to which the noncompliance relates as determined by the Authority in its sole discretion; and (ii) if the Applicant's noncompliance is chronic and/or egregious in nature, the Authority may refuse to accept for filing and/or otherwise refuse to consider all or any part of the Applicant's pending or future applications for funding until such time as the Authority decides otherwise.

All Development team members with an ownership interest in any RHTC Development must satisfactorily demonstrate that all prior findings and assessments against all Applicants and its principals, participants and affiliates have been satisfied.

Any Development found to be in violation of this Allocation Plan will be subject to a reduction or rescission in Rental Housing Financing, and all Development Team members may be subject to debarment from participating in all Authority programs for up to five (5) years.

Required Documentation: The following documentation must be submitted and placed in Tab J:

- 1) All of the Development Team members with an ownership interest or material participation in any affordable housing Development must disclose any outstanding non-compliance issue(s) and/or loan defaults with any state or federal affordable housing program (including private activity tax-exempt bonds) in which it has participated in or received from including those issues that have been corrected since RHTC program inception. Failure to disclose may result in the loss of funding.
- 2) All principals or material participants of the General Partner interest or managing member (if an LLC) and each member of the Development Team must submit a written affidavit accurately disclosing his/her complete interest in and affiliations with the proposed Development. Additionally, the Development Team must include in the affidavit all other RHTC funded Developments located in Indiana where they own(ed) an interest. A

management company is required to be identified in the application and the management company named in the initial application must add language to its affidavit certifying that: a) they have reviewed the application for Rental Housing Financing; and b) they can effectively manage the property according to the requirements of Section 42, the Qualified Allocation Plan, and the elections made by the owner/applicant in the application for Rental Housing Financing. If at any time during the Compliance Period the management company changes, the new management company must also sign a similar certification.

i) Mini-Phase I Environmental Site Assessment

The Mini Phase-1(MP-1) or full Phase I Environmental Assessment must be completed prior to Application submission for 9% or 4% funding from the Authority. If a Development elects to submit a full MP-1 at the time of application, please refer to Section H.4(12)(i) & (ii) for the required documentation.

The MP-1 is not a substitute for a full Phase I Environmental Site Assessment. The full Phase I Environmental Assessment will be required at Conditional Commitment for those developments that are funded. To properly complete the MP-1 the applicant must interview a person knowledgeable about the property (a knowledgeable person does not include the realtor, unless the realtor is also the owner of the property) and provide photographs of the following:

- Front, rear and side views of the site,
- Interiors of the rooms for each bedroom type, (if proposing a rehab)
- Adjacent properties visible from the site, and
- Any other notable items on or around the site.

Further, a third party environmental database report (Ex: Radius map, provided by Environmental Data Resources, Inc.) must be submitted with the completed MP-1.

Two sources of historical data are required to evaluate the historical uses of the site. Examples of this include aerial photographs, fire insurance maps and city directories. The findings shall be provided in written summary form with attached copies of the source material.

Required Documentation: See Form P – Mini Phase-I. Place all documentation in Tab K.

NOTE: A full Phase I environmental assessment is acceptable in lieu of the MP-1.

j) All applicable conditions and requirements of State and local laws, statutes, regulations, ordinances and other proper authorities in the State, including, without

limitation, the requirements specified in the Application, the Indiana Handicapped Accessibility Code as amended, and such additional items which may be required by the Authority (collectively, "State Laws"), shall be satisfied.

Additionally, the Development has been designed to comply with the requirements of all applicable local, state and federal fair housing and disability-related laws. The Development design should consider at a minimum, the applicability of the local building codes, Federal Fair Housing Act, as amended, the Americans with Disabilities Act, and the Rehabilitation Act of 1973, as amended. The Applicant will be required to submit an affidavit that certifies the Development complies with all applicable requirements.

Required Documentation: Completed Form A (Application).

- k) Applicants who perform rehabilitation work on pre-1978 Developments (i.e. buildings) are required to comply with the Lead Based Paint Pre-Renovation Rule ("Lead PRE") and the State of Indiana's Lead Based Paint Rules where applicable. (For more information visit www.epa.gov/lead or contact your local Environmental Protection Agency (EPA) Regional Office and www.ikecoalition.org for Indiana's rules.)

Required Documentation: The Applicant must certify that the Development will comply with these laws and rules. Completed Form A (Application).

- l) Developments proposing commercial areas within the building or on the property utilizing Rental Housing Financing will be given consideration. Construction must be in compliance with plans and specifications that have been previously submitted and approved by the Authority. Finally, all commercial restrictions approved by the Authority must be included in the Declaration of Extended Rental Housing Commitment ("DERHC").

Required Documentation: The Application must include the following additional information and documentation: (i) a detailed, square footage layout of the building and/or property identifying all residential and commercial areas; and (ii) a time-line for complete construction showing that all commercial areas will be complete prior to the residential areas being occupied. Place this documentation in Tab F.

- m) If any portion of the RHTCs are being used to acquire the Development, RHTCs and/or acquisition eligible basis will be calculated based on the lesser of the actual amount paid for the building or the appraised fair market value.

Required Documentation: The Applicant must submit the Development's fair market appraisal (completed by a qualified appraiser), which must be completed no earlier than twelve (12) months from the Application deadline. The fair market

appraisal must be at a minimum an “As Is” appraisal and must adhere to the Uniform Standards of Professional Appraisal Practice (“USPAP”). A statement to this effect must be included in the report. USPAP standards can be found at www.appraisalfoundation.org. Place in Tab L.

- n) For Developments proposing rehabilitation, the rehabilitation hard costs must be in excess of \$10,000 per unit. However, if the Development is competing in the Preservation set aside the rehabilitation hard costs must be in excess of \$15,000 per unit.

Required Documentation: All Applicants applying for rehabilitation Developments requesting Rental Housing Financing must submit with their Rental Housing Finance Application a capital needs assessment performed by a qualified professional (engineer/architect) in the format required by the Authority. The complete Capital Needs Assessment Report must be submitted in an electronic PDF version on a CD-ROM. See Schedule F - Capital Needs Assessment. Place CD-ROM in Tab L.

- o) For all Developments that will impact existing tenants, provide a displacement/relocation plan.

Required Documentation: A detailed displacement/relocation plan must be submitted detailing 1) any potential permanent, temporary or economic displacement/relocation issues, 2) the number of current tenants to be relocated, 3) where the tenants will be relocated during the rehabilitation and for the length of time, 4) how displacement/relocation will be minimized and how relocation expenses will be paid for if they are incurred and 5) displacement/relocation assistance plan (e.g. Who will get assistance? How much assistance will they receive? When and how will they receive their assistance? Who will provide advisory services to those displaced?) Place in Tab L.

- p) Upon request, the Applicant shall provide a completed IRS Form 8821, Tax Information Authorization, for each owner/general partner. The form must be signed by an individual authorized to sign on behalf of the Owner.
- q) Underwriting Guidelines

The following are underwriting guidelines for all Developments. However, all applicants should be aware that these are averages and the numbers submitted should reflect the nature and true cost of the Development proposed. IHCD will consider any underwriting outside of these guidelines if supporting documentation is provided.

- 1) Total Operating Expenses - IHCD will consider the reasonableness of operating expenses for each Development based on information submitted by the

Applicant. All Developments must be able to underwrite with a minimum operating expense of \$2,500 per unit per year (net of taxes and reserves).

2) Management Fee– 5-7% of “effective gross income”

(gross income for all units less Vacancy Rate).

# of Units	Maximum Management Fee Percentage
1 to 50 units	7%
51 to 100 units	6%
101 or more units	5%

3) Vacancy Rate – 6% - 8%

4) Rental Income Growth – 0-2%/year

5) Operating Reserves – four (4) to six (6) months (Operating Expenses plus debt service) or \$1,500 per unit (whichever is greater)

6) Replacement Reserves per unit New Construction: \$250 - \$300 Rehabilitation: \$300 - \$350

7) Operating Expense Growth – 1-3%/year
IHCD requires operating expense growth to be at least 1% higher than rental income growth.

8) Stabilized debt coverage ratio (stabilization usually occurs in year 2) – 1.15 - 1.40
(Although stabilization occurs usually in year two, the debt coverage ratio projection for a Development should not go below 1.1 during the complete 15 year Compliance Period to be considered financially feasible.)

NOTE: Tax abatement may cause the debt coverage ratio to be higher than these guidelines.

Required Documentation: 1) Documentation of estimated property taxes and insurance for the proposed Development (i.e. a statement of how the Applicant determined the estimated taxes and insurance for the Development); AND 2) If the underwriting is outside these guidelines, the Applicant must provide a written detailed explanation with third party documentation supporting the explanation (approval of underwriting from other financing institutions/funding sources will not constitute acceptable supporting documentation). This documentation must be placed in Tab M.

r) Grants/Federal Subsidies

Those RHTC Developments that include “soft” loans (i.e. HOME or HOPE VI loaned to the Development with payments through available cash flow) must demonstrate a reasonable expectation (as determined by the Authority in its sole and absolute discretion) that the loan will be repaid at a date certain (usually eight (8) to fifteen (15) years). If the loan and any outstanding interest is not expected to be paid until the end of the Initial Compliance Period, there must be reasonable expectation that the fair market value of the Development will be sufficient at that time to pay the accrued interest and debt and that the net income of the Development will be sufficient to sustain debt service.

Required Documentation: Completed Form A (Application) Section W. Place additional information documentation in Tab G.

3. User Eligibility and Limitations

a. Applicant and Development Limitations

During any calendar year, the amount of RHTCs, which may be reserved for allocation (including any transfers of RHTCs during the applicable calendar year) to any person (including principals in organizations), Entity, Owner, Developer or Applicant, may not exceed \$1,600,000, provided, however, no Development shall receive more than \$800,000 of RHTCs in any calendar year. Such limitation shall be subject to review and modification by the Authority. [Excluding Developments financed with Bonds and 4% RHTCs.]

If the Authority determines that, in its sole and absolute discretion, it is in the interest of the State to allocate additional RHTCs to such person, entity or Development, then the Authority may waive such limitation.

b. Developer Fee Limitations

# of Units in Development	New Construction 9% RHTCs	Rehabilitation* 9% RHTCs	New Construction 4% RHTCs**	Rehabilitation* 4% RHTCs**
35 Units or less	20% of Total Development Cost (excluding the developer fee, developer overhead, consultant fees, & the cost of the land,) but not to exceed \$1,100,000	20% of Total Development Cost (excluding the developer fee, developer overhead, consultant fees, & the cost of the land,) but not to exceed \$1,320,000	20% of Total Development Cost (excluding the developer fee, developer overhead, consultant fees, & the cost of the land,) but not to exceed \$2,475,000	20% of Total Development Cost (excluding the developer fee, developer overhead, consultant fees, & the cost of the land,) but not to exceed \$2,750,000
Over 35 Units	15% of Total Development Cost (excluding the developer fee, developer overhead, consultant fees, & the cost of the land,) but not to exceed \$1,320,000	15% of Total Development Cost (excluding the developer fee, developer overhead, consultant fees, & the cost of the land,) but not to exceed \$1,650,000	15% of Total Development Cost (excluding the developer fee, developer overhead, consultant fees, & the cost of the land,) but not to exceed \$2,475,000	15% of Total Development Cost (excluding the developer fee, developer overhead, consultant fees, & the cost of the land,) but not to exceed \$2,750,000

*At least 50% of the Development's units must be rehabilitation of an existing building

**4% RHTCs associated with Developments financed with multi-family bond volume

The Authority will monitor both hard and soft costs of the Development compared to Developments of similar size and location and in its sole discretion reduce the total Developer Fee, which may reduce the amount of any RHTC allocation.

NOTE: Consultant Fees will be considered part of the Developer Fee.

When determining the amount of Credit necessary to make a Development financially feasible, the Authority will include the deferred Developer Fee as a source of funding.

To be included in RHTC basis, deferred Developer Fee must be due and payable at a date certain. Fees may be paid as a cash flow loan if it can be demonstrated that the fee can and will be paid in a reasonable amount of time (generally considered to be eight (8) to fifteen (15) years). If fees are permanently contributed to the Development, they

must be paid to the developer and then contributed to the Development if the fees are to be included in RHTC basis.

Additionally, at the time of initial Application, no more than 60% of the developer fee may be deferred for 9% RHTC Developments and no more than 80% of the developer fee may be deferred for bond volume 4% RHTC Developments. However, the Authority may, on a case by case basis with convincing documentation acceptable to the Authority and for the financial feasibility of the Development allow a larger percentage of the developer fee to be deferred.

Required Documentation: Applicant must include a statement 1) disclosing each entity/individual receiving a portion of the Development Fee along with the percentage of the fee the entity/individual will receive and 2) describing the terms of the deferred repayment obligation to the Development including any interest rate charged and the source of repayment with the application. Non-profit organizations shall include a resolution from the Board of Directors allowing such a deferred payment and interest obligation to the Development. The Authority will require a Deferred Development Fee Agreement, satisfactory to the Authority in its sole discretion evidencing the principal amount and terms of interest and repayment of any deferred repayment obligation be submitted at the time of final cost certification. Place this documentation in Tab M.

c. Contractor Fee Limitations

Contractor fees ("Contractor Fees") shall also be limited, for purposes of determining the RHTC amount to be allocated, based on the amount of total costs incurred toward the construction or rehabilitation of the Development, excluding Developer and Contractor Fees. The Contractor Fee limitations are as follows:

Contractor Fees	Contractor Fee % Limitations
General Requirements	6% of Total Construction/Rehabilitation Cost
General Overhead	2% of Total Construction/Rehabilitation Cost
Builders Profit	6% of Total Construction/Rehabilitation Cost
Total	14% of Total Construction/Rehabilitation Cost

The Authority will permit savings in a particular Contractor Fee line item to offset overruns in other Contractor Fee line items; provided, however, that in any event the total Contractor Fees shall not exceed 14%.

No increase will be permitted higher than the above stated limitations.

4. Minimum Development Standards

- a. In addition to meeting all new construction and rehabilitation standards required by IRC Section 42 and local and State building codes, each unit must provide in good working order:
 - 1) Refrigerator
 - 2) Stove
- b. Minimum design requirements for all new construction and rehabilitation (where the following items are proposed as part of the rehabilitation):
 - 1) The use of low maintenance exterior building finishes including brick, stone, hardy board, fiber cement siding or vinyl siding. If vinyl siding is used, it must be at least .040 inches in thickness and carry a lifetime warranty.
 - 2) Minimum HVAC standards: gas heating system with a minimum 90% AFUE rating; air conditioning system with a minimum 13 SEER rating; or a minimum 8.2 HSPF electric heat pump system that is properly sized for the unit.
 - 3) Thermal insulated windows and entry doors with a minimum U value of 0.35 or below.
 - 4) Roofing product with a minimum 25-year warranty.
 - 5) All buildings to have attic insulation of R-38 or better – New Constructions and Rehabilitation.
- c. Minimum amenities for Elderly developments:
 - 1) For New Construction:
 - a) 100% of the units must be accessible or adaptable, as defined by the ADA and the Indiana Accessibility Code, and elevators or lifts must be installed for access to all units above the ground floor.
 - 2) For Rehabilitations:
 - b) 100% of the ground floor units must be accessible or adaptable, as defined by the ADA and the Indiana Accessibility Code, and all units above the ground floor must be adaptable as defined by the ADA and the Indiana Accessibility Code unless the building(s) contained elevator(s)/Lift(s) prior to rehabilitation, in which case the elevators/lifts will need to be maintained and 100% of the units above the ground floor will need to be accessible and adaptable.

Required Documentation: The Applicant must certify that the Development will comply with these requirements. Completed Form A (Application) Section N.3.

5. Affordable Housing Database

Applicants that are proposing to develop permanent supportive or rental housing must participate in the Affordable Housing Database. www.indianahousingnow.org

6. <https://ihcdaonline.com/>

All IHCDAs assisted multi-family developments are required to enter tenant events using IHCDAs' Indiana Housing Online Management rental reporting system. Tenant events include move-ins, move-outs, recertifications, unit transfers, and rent and income changes. Annual Owner Certification Rental Reports will be required to be submitted electronically using the Indiana Housing Online Management System.

7. Rental Housing Financing Returned by Applicant

If Authority funding (i.e. RHTC, HOME, Low-Income Housing Development Fund, Multifamily private activity tax-exempt bonds) previously reserved and/or allocated to a Development is returned to or rescinded by the Authority, all applications submitted by the Applicant (or its principal) that meets Threshold Requirements will be subject to a reduction in points by the Authority from the total points otherwise scored.

Credits Returned Within:	Deduction in Points
30 – 59 Days from the date of Carryover	2 Point Deduction
60 – 89 Days from the date of Carryover	4 Point Deduction
90 – 119 Days from the date of Carryover	6 Point Deduction
120 or more Days from the date of Carryover	10 Point Deduction

The Authority, in its sole and absolute discretion, shall have the right to grant a waiver from the foregoing points deduction for factors determined by the Authority to be outside of the Developer's control. No such waiver will be granted unless on or before October 1 the Applicant furnishes the Authority with a written request for such waiver at the time the RHTCs are returned and/or rescinded specifying therein with specificity satisfactory to the Authority the reasons thereof. All requests for return of fees paid to the Authority for said Development will be denied. Developments that receive an exchange of credits under Section H.13 of this document will not be subject to the "Rental Housing Financing Returned by Applicant" scoring category.

8. Receipt of Rental Housing Financing

Applicant(s) receiving Rental Housing Financing must satisfy at time of Final Application all scoring criteria they received points for unless otherwise approved by the Authority in writing.

9. Application Disqualification

Applications reviewed during the Threshold period and found to have five (5) or more Technical Corrections will fail threshold and will not be eligible for credits.

G. Evaluation Factors

The Authority has developed six (6) categories of criteria, based on the needs assessment conducted and the housing goals established by the Authority. If an Application satisfies all applicable requirements, then it will be evaluated and scored based on:

Scoring Section	Total Number of Eligible Points
1. Rents Charged	28 Points
2. Constituency Served	10 Points
3. Development Characteristics	30 Points
4. High Performance Housing	24 Points
5. Financing & Market	30 Points
6. Other	28 Points
Total Number of Points Possible	150 Points

Applicants seeking an RHTC allocation under Indiana's RHTC cap must score a total of sixty (60) or more points under this Allocation Plan. Additionally, Applicants seeking Private Activity Tax Exempt Bonds, either in conjunction with 4% RHTCs or alone, must score a total of forty-five (45) points or more. The Authority reserves the right not to allocate funding to a Development that scores ten (10) or more points less than the nearest Development receiving Rental Housing Financing. A written explanation will be made available to the general public for any funding of a housing credit dollar amount, which is not made in accordance with established priorities and selection criteria in this Allocation Plan.

If two or more developments receive an equal total score, the following tie breakers will be used to determine the reservation:

- a. First Tie Breaker: priority will be given to the development that competes under the highest number of set-asides; if a tie still remains;
- b. Second Tie Breaker: priority will be given to the development located in a community that has not received tax credits within the past three years; if a tie still remains;
- c. Third Tie Breaker: priority will be given to the development that request the lowest number of tax credits per unit.

1. Rents Charged

All Developments must meet the minimum set-aside requirement for Section 42 with election of the “40-60” or the “20-50” set-aside.

If the Development intends to charge rents lower than the maximum allowable for the area median income (AMI) required by Section 42 of the Code and maintain rents for units at a level not to exceed the maximums as published in Appendix B and C, points will be awarded as follows:

% of Total Units	Area Median Income Rents			
	30%	40%	50%	60% + Market Rate
55% or more	1 pt	2 pts	3 pts	0 pts
50.0 to 54.99%	2 pts	2 pts	5 pts	3 pts
45.0 to 49.99%	3 pts	3 pts	6 pts	4 pts
40.0 to 44.99%	4 pts	4 pts	7 pts	5 pts
35.0 to 39.99%	5 pts	5 pts	7 pts	6 pts
30.0 to 34.99%	5 pts	5 pts	7 pts	6 pts
25.0 to 29.99%	6 pts	6 pts	8 pts	8 pts
22.0 to 24.99%	6 pts	6 pts	8 pts	7 pts
18.0 to 21.99%	6 pts	5 pts	7 pts	6 pts
15.0 to 17.99%	5 pts	4 pts	6 pts	5 pts
12.0 to 14.99%	4 pts	3 pts	4 pts	4 pts
9.0 to 11.99%	3 pts	3 pts	4 pts	4 pts
7.0 to 8.99%	2 pts	2 pts	3 pts	3 pts
5.0 to 6.99%	1 pt	2 pts	2 pts	3 pts
3.0 to 4.99%	1 pt	2 pts	1 pt	2 pts

When determining the number of units using a percentage, the development must round up if at or above .50% and may elect to round down or up if at or below .49%. 1st Example: 30% of

the units in a 25 unit development will be at 40% AMI Rents; 25 units x 30% is 7.5 = 8 units at 40%AMI Rents. 2nd Example 17% of the units in a 25 unit development will be at 30% AMI Rents; 25 units x 17% is 4.25% = 4 or 5 units at 30% AMI Rents. In the 2nd example, the Development must elect either 4 or 5 units that will be at 30% AMI Rents. The Development will not be allowed to switch between 4 or 5 units once the election is made within the Application.

The Authority encourages owners to disperse all low-income units evenly among buildings and units in a mixed income, multi-building Development.

Per Section 42(g)(7), scattered site Developments that contain market rate units will not qualify to receive points for their market rate units.

Maximum Number of Points	28
---------------------------------	-----------

2. Constituency Served

a. Persons with Disabilities

Applicant has committed in writing to “set aside” a percentage of the total units in the Development to qualified tenants who meet the State definition of disabled as provided in IC 5-20-1-4.5 and must equip each unit to meet a particular person’s disability need at no cost to the tenant. Points will be awarded based on 1 point for every one (1) percentage point set-aside up to a maximum of 10 points. Therefore, points will be awarded as follows:

% of Total Units	Points	% of Total Units	Points
10% or more	10 pts	5.0 to 5.99%	5 pts
9.0 to 9.99%	9 pts	4.0 to 4.99%	4 pts
8.0 to 8.99%	8 pts	3.0 to 3.99%	3 pts
7.0 to 7.99%	7 pts	2.0 to 2.99%	2 pts
6.0 to 6.99%	6 pts	1.0 to 1.99%	1 pt

Required Documentation: 1) the resume of the organization providing the services for persons with disabilities (resume must demonstrate ability to provide appropriate services to persons with disabilities); AND

2) The Applicant and a qualified organization that provides and has the capacity to carry out services for persons with disabilities must enter into an agreement (signed by all parties) acceptable to the Authority in its sole discretion whereby the owner agrees to: a) set aside a number of units for persons with disabilities; and b) notify the qualified organization when vacancies of the set aside units occur at the Development. The qualified organization must agree to: a) refer qualified households to the Development; and b) notify households of the vacancies of the set aside units at the Development.

4. High Performance Housing Characteristics

Information regarding High Performance Housing can be found on various web sites. Please refer to Appendix I for a non-exhaustive list of web sites and specific requirements for each sub-category with examples.

a. Energy Efficiency

- 1) 3 points will be awarded for providing every unit with an Energy Star® Rated furnace or heat pump, Energy Star® Rated air conditioner, and Energy Star® Rated windows and exterior doors.
- 2) 3 Points will be awarded for providing Energy Star® Certified Building Envelopes at all buildings. To qualify for the ENERGY STAR® label, the energy performance of traditionally-built and systems-built (modular, ICF, SIP) homes must be independently verified by a home energy verification organization. This is done either through a Home Energy Rating System (HERS) rating or an ENERGY STAR®-approved Builder Option Package (BOP).

An Energy Star® Rated Unit is one which is at least 15% more energy efficient than homes built to the 2006 International Energy Conservation Code (IECC). To build an Energy Star® Rated unit, the applicant will first procure an Energy Star®

certified rater. The rater will work with the applicant to determine which energy efficient features to put into their units in order to achieve the Energy Star® rating (i.e. some combination of installing high R-value insulation or high performance windows, tightly sealing the home's 'envelope' and duct work, using energy efficient heating and cooling systems, and using energy efficient appliances and lighting systems). The rater will then conduct on-site tests of the structure during the construction process (i.e. insulation, duct work, air sealing, etc.), and will perform a final test of the home at completion, which could include a blower door test to check the leakiness of the home's 'envelope', a duct blaster test to check the leakiness of the duct system, and/or completion of a thermal bypass checklist (a visual inspection of common construction areas where air can flow through or around insulation).

3) 1/2 point will be awarded for every item selected for a maximum of 4 points:

- a) Energy Star® Rated refrigerators in every unit
- b) Energy Star® Rated dishwashers in every unit
- c) Energy Star® qualified roof products (for all buildings) in every unit
- d) Energy Star® Rated ceiling fans in every unit
- e) Installation of Energy Star® Rated lighting fixtures or the Energy Star® Advanced Lighting Package in all interior units and use of Energy Star® or high-efficiency commercial grade fixtures in all common areas and outdoors.
- f) Energy Star® rated clothes washer in every unit
- g) Energy Star® Rated programmable thermostat in every unit
- h) Use of insulation blankets for all hot water heaters – rehabilitation only when replacement of water heaters is not being proposed.
- i) Energy Star® Rated bathroom fans that exhaust to the outdoors in every unit
- j) Energy Star labeled range hood fans in each unit
- k) Tankless or "Point of Use" water heaters in every unit
- l) Water conservation Toilets – 1.3 GPF (gallons per flush) or better in every unit
- m) Water conservation Showerheads – 2.0 GPM (gallons per minute) or better in every unit
- n) Water conservation Kitchen faucets – 1.5 GPM or better in every unit
- o) Water conservation – lavatory faucets – 2.0 GPM or better in every unit
- p) Energy Star® Fenestration products (examples include windows, doors, skylights) - Energy Star fenestration products may not be included as part of the required number of items in this section, if Points are to be awarded for Energy Star Certified Envelopes.

Required Documentation: Completed Form A (Application). Failure to meet the commitments promised in this section may result in a loss of credits. Information regarding Energy Star rated items can be found at <http://www.energystar.gov/>.

Required Documentation: The following must be placed in Tab S: 1) All applicable Development, management and contractor agreements (complete with fee structure) and the names and addresses of all owners, principals and their respective affiliation; and 2) A copy of the entity's certification from the Indiana Department of Administration.

d. Unique Features

The Development has unique features that contribute to the Development of affordable housing in the community where the Development is located. This may include the unit and common area amenities, financial structure, community support, location, and/or services offered to all residents. Points are awarded relative to other Developments being scored during each Application cycle and are awarded in IHCD's sole and absolute discretion. The following chart sets forth the anticipated percentage of applications that will receive points using a maximum of 5 points.

% of Applications	5%	8%	12%	16%	18%	16%	12%	8%	5%
Points	5.0 pts	4.5 pts	4.0 pts	3.5 pts	3.0 pts	2.5 pts	2.0 pts	1.5 pts.	1.0 pt

Required Documentation: IHCD will use the Narrative Summary (which should include a unique features section) submitted for the proposed Development and other information submitted within the application to determine points awarded. Place in Tab A.

e. Services

Typically referred to as services, IHCD refers to activities and/or incentives offered to residents of the development as Tenant Investment Programs ("TIPs"). The Authority is specifically analyzing this section for any combination of programs that are tailored to the needs of the targeted tenants and encourage tenants to invest in their overall well-being, neighborhood/apartment community, and/or environment. The intent is to utilize opportunities that may not otherwise be accessible for tenants and will ultimately build positive tenant relationships and a stable community in the Development. TIPs should add

no extra cost to the tenant; however, some classes/activities offered might require a maintenance fee. This fee must remain minimal and when added with the charged rent, together, does not exceed the maximum allowable rent. TIPs may target specific tenants of the development but must be optional and inclusive to tenants of both Tax Credit and Market Rate units within the Development.

Points will be awarded based on the overall TIPs plan. Programs that meet the criteria of Level 3 will be given preference over those programs of the Level 1 category. However, the TIPs plan with the most programs that address the needs of the development's tenants will receive highest point consideration. Programs with a combination of Level 1, 2 and/or 3 are eligible to receive the maximum of six (6) points. Programs at a Level 4 designation will be eligible to receive a maximum of 8 points.

Service Level Descriptions

- 1) Level 1 – This category is for TIPs that will provide a good or service as a tenant incentive and require minimal or no ongoing tenant participation and/or program management. Incentives may include discounts, referrals or offering exceptional educational resources to tenants in the community. Applicants are encouraged to network with local businesses or agencies to offer unique but valuable incentives to current and/or future tenants.

The maximum number of points awarded for all Level 1 services is 3 points.

- 2) Level 2 – This category is for TIPs that are offered multiple times a year (at least 4 times) OR continuously, depending on the program. Management involvement need not be extensive with these programs; however, an adequate plan for administering the program(s) must be outlined in the TIPs plan.

The maximum number of points awarded for all Level 2 or Level 1 & 2 combination services is 4 points.

- 3) Level 3 – This category is for TIPs that are ongoing and require both extensive tenant participation as well as management maintenance. TIPs should be creatively designed to operate as a tenant/management partnership, such as having specific tenants acting as a tenant representative or liaison to facilitate the program with management. In addition, the programs should be designed to create positive outcomes in such areas as (but not limited to) tenant relationships, community, social or environmental awareness. Applicants are encouraged to develop programs that network with local corporations or social service agencies to meet these initiatives.

The maximum points number of awarded for all Level 3 or combination of Level 1, 2 & 3 services is 6 points.

- 4) Level 4 – This category is reserved for supportive services offered by applicants building Permanent Supportive Housing developments. These types of services must be in line with or match the philosophy of the Housing First description. For further guidance, refer to the Supportive Services Plan under ‘Level 4 Required Documentation.’

The maximum number of points awarded for Level 4 services is 8 points.

Required Documentation: For Levels 1, 2 and/or 3

Applicants must submit a Tenant Investment Program plan in order to qualify for competitive points. To receive points in this category, the development will provide evidence that the appropriate tenant opportunities will be offered for the entire resident population for the duration of the compliance period. The tenant investment program must include the following elements in the order listed:

- i. Population Served – Describe the population to be served.
- ii. Program Coordinator- Describe the role of the TIPS Coordinator. Include a copy of the Coordinator’s resume or if the coordinator is not known at application, a copy of the coordinator’s job description. List the experience in providing tenant investments, including trainings that the coordinator may have attended. Identify the budget line item for the tenant investment coordinator’s salary or document in-kind assistance with commitment letters per section VI. Detail the number of hours that the coordinator will spend at the site and also working with the residents from the project.
- iii. Annual Budget – List in detail the estimated annual cost of providing services, including the coordinator’s salary and equipment.
- iv. Description of Program(s) – Provide in depth descriptions of all TIPSs and explain how they will be marketed to the tenants, at what time will TIPS be made available (i.e., morning or evening), and the location of the programs/services offered (i.e., on-site or off-site). Include a description of any fees being charged.

Preferences:

- a) Services on-site or within a walking proximity. Consideration will be given to applicants that provide a majority of services off-site due to special circumstances.
 - b) Unique marketing techniques for TIPS.
- v. Commitment Letters – Attach signed letters from agencies/organizations that have committed to provide or refer tenant investments opportunities to residents. Also, where the tenant investments have been contracted, provide a signed letter from the agency/organization providing contracted tenant

investment coordination. Commitment letters should contain a brief description and history of the agency/organization, a description of the tenant incentives to be provided, and details of any funding to be provided to the project for TIPs. Commitment letters must be provided for all agencies/organizations referred to in Section IV.

Required Documentation: For Level 4

The Supportive Service Plan should focus on the following types of services with the goal of helping the tenant remain housed: tenant stabilization including assisting tenants to care for their apartment, providing support for activities of daily living, and building positive relationships with neighbors, landlord, etc.; building support systems to assist tenants to re-engage with the local community; obtaining basic needs such as food, clothing, transportation; providing on-going support to obtain benefits, linkage with services and to ensure accessing all resources needed to maintain housing; and, employment related services. Other essential services may include mental health services such as Assertive Community Treatment (ACT), counseling, therapy, medications, and medication management; substance abuse services including outpatient treatment, self-help options, and counseling; access or referrals to appropriate medical care; legal services related to civil arrears, family law and uncollected benefits; veterans assistance; domestic violence counseling; school related services; childcare and other related services.

The Supportive Service Plan must include the following elements in the order listed:

- i. Population Served – Describe the population to be served, including the level of substantial barriers that exist for the Development’s tenants. Indicate the number of units to be set-aside for this population.
- ii. Case Manager(s) – Describe the role of the case manager(s). Include a copy of each case manager’s resume. If the case manager is not known at application, include a copy of the case manager’s job description. List the experience in providing case management in supportive services, including any related education and trainings. Identify the budget line item for the case manager(s) salary or document in-kind assistance with commitment letters as described in section VI. Provide the number of hours that the case manager will dedicate on-site working with the residents; include any duties that are not client-related and assigned to the case manager.
- iii. Annual Budget – List in detail the estimated annual cost of providing the services, including the service operating expenses, salaries for case management, and any equipment to be utilized.

- iv. Description of Program(s) – Provide specific descriptions of the programs/services and explain how they will be made available to residents. Include the determined level of substantial services to be provided, ensuring that it addresses all tenants' substantial barriers to maintain housing, as identified in section I. Identify whether services will be offered on-site or at another location; if off-site, provide the location.
- v. Annual Performance Measurements – Provide a detailed plan for measuring program goals and outcomes, including the methods used to market the programs, as well as collect tenant attendance, participation and feedback. The plan should also identify any barriers to success or better participation of the program and any changes made to the program to eliminate identified barriers. IHCD will review the annual performance measurements during the on-site audits conducted throughout the compliance period.
- vi. Commitment Letters – Attach signed letters of support, Linkage Agreements and Memorandums of Understanding (MOUs) from agencies/organizations that have committed to provide or refer tenant investment opportunities to residents. Common PSH partnering agencies include providers involved in the local Continuum of Care which would include local agencies currently serving individuals and families who are homeless, the local community mental health center and addiction providers, and local federally qualified health centers. Commitment letters should contain, at a minimum, a brief description and history of the agency/organization, a description of the agreed services to be provided and the length of time for which they will be provided, as well as details of any program funding to be provided. Commitment letters must be provided for all agencies/organizations referred to in Section IV.
 - a) Memorandums of Understanding (MOUs): The MOUs can be used as a mechanism to initially describe and develop partnerships among the developer, service provider and property manager in cases where they are working together on a project. Although they may be preliminary at the time of application, they should include initial ideas for roles and responsibilities of each of the partners with a commitment that they will be further developed.
 - b) Linkage Agreements: Linkage agreements are used to describe what services are committed by service partners when tenants are referred to them. Again, these may be preliminary, but they should have a basic description of the services, number of hours and staffing with a commitment to be further developed.

f. Technical Correction Period

During the funding round and after IHCD's review of Threshold for each Application, IHCD will award four (4) points to those Developments that pass Threshold without any technical errors or incomplete information. Applications that contain a technical correction will be charged a \$150 resubmission fee for each technical correction. Applications reviewed during the Threshold period and found to have five (5) or more Technical Corrections will be returned and withdrawn from the funding round.

Applications that do not pass Threshold because of four (4) or less technical errors or incomplete information will be provided an opportunity to submit additional information through the following process, although those Applicants will not receive points in this category:

- 1) IHCD will contact the Applicant and specify the items where the Application failed Threshold review;
- 2) The Applicant will be allowed no more than fourteen (14) calendar days to provide additional information to IHCD for the Application to pass Threshold;
- 3) Information may be faxed to IHCD, but an original must be mailed as well within the fourteen (14) day correction period;
- 4) Once information has been received, IHCD will NOT respond with the status of the application or the additional information other than to verify its receipt;
- 5) Clarification of documentation that has already been provided in the Application will still be eligible for points in this category as long as no additional documentation is required for the Application to pass Threshold, in the Authority's sole discretion;
- 6) Applications that do not pass Threshold because of Market Study issues or point scoring, will not be eligible to utilize the Technical Correction Period. Any documentation that is provided during the technical correction period that is also applicable to a related scoring item will be reviewed only for Threshold correction and will not be utilized during the scoring review process for the Application;
- 7) No Applicant will be allowed to submit additional documentation during the Technical Correction Period to score points in any point scoring category;
- 8) IHCD, in its sole discretion, will determine if the additional documentation submitted during the Technical Correction Period is adequate for the Application to pass

Threshold. After the 14 calendar day correction period, no additional documentation will be requested or accepted from the Applicant.

- 9) The Correction Period will apply to those Applications applying for HOME and Development Fund. However, they will not be subject to a four (4) point reduction if the technical correction is associated with a requirement identified in Schedule E or Schedule K.

Maximum Number of Points	4

g. Lack of Progress on Issuance of Form 8609

If any Applicant, Owner, and/or Developer has received an RHTC award for a different Development(s) in a previous round and this Development (“Delayed Development”) was not issued IRS Form 8609 within 36 months of the date of the RHTC Carryover, any application(s) submitted during the round will be assessed a five (5) point penalty (to be deducted from the total score), UNLESS the Applicant, Owner, and/or Developer has since received Form 8609 for the Delayed Development AND received Form 8609 on at least one (1) OTHER Development within 36 months of its date of Carryover subsequent to the Application Date of the Delayed Development.

Any Applicant, Owner, and/or Developer representing a Delayed Development will continue to receive the penalty on each subsequent round in which they have an application(s) submitted until they have fulfilled the requirements above.

H. Miscellaneous

For 2009-2010, the Authority will make all reasonable attempts to reserve all of its Rental Housing Tax Credits in one (1) scheduled Application and Reservation cycle. However, a wait list will be formed from those applications that did not receive a preliminary reservation of credits in the main round. If RHTCs become available the Authority, in its sole and absolute discretion, may make a reservation announcement for applications on the wait list being awarded a preliminary reservation of Rental Housing Tax Credits according to ranking of the wait list and funds available.

The Authority in its sole discretion may use a portion of the 10% IHCD Set-Aside to hold an independent reservation round outside of the annual round. A “Request for Proposal” (RFP) will be released notifying the public, if the Authority decides to exercise its discretion to hold a reservation round outside of the annual rounds identified within the 2009-2010 Qualified Allocation Plan.

1. Application Dates

Dates for the rounds are as follows:

Annual Rental Housing Tax Credit Rounds	
Application Deadlines	Anticipated Reservation Dates
January 16, 2009	April 23, 2009
December 18, 2009	March 25, 2010

Annual Private Activity Bond Rounds	
Application Deadlines	Anticipated Reservation Dates
April 10, 2009	June 25, 2009
April 2, 2010	June 24, 2010

Eligible applicants who compete under the “Housing First” Set-Aside and complete the Indiana Supportive Housing Institute may apply and receive a reservation for tax credits outside of the published annual rental housing tax credit rounds.

The actual reservation date will correspond to the respective monthly meeting date of IHCD’s Board of Directors of the Authority.

Applications for RHTCs must be received and date stamped by the Authority no later than 5:00 p.m. local time on or before the Application deadline date noted above. Applications received after such time and incomplete Applications will not be considered. The Authority will not provide verbal reports of the current status of a Development during the review process.

2. Fees

All fees should be made payable to IHCD. If a check is returned for insufficient funds, the application will be immediately denied.

- a. All Applicants must submit a non-refundable Application fee with each Application as a condition of having the Development considered. Application fees for 2009-2010 are as follows:

Fee Amount	Number of Units
\$1,000	Developments with 35 or fewer units
\$1,500	Development with more than 35 units
\$1,500	All Development tax exempt financing

b. Conditional Commitment Reservation Fee

Applicants receiving a reservation of RHTCs for a proposed Development from the Authority must pay a non-refundable reservation fee to the Authority within thirty (30) days after the date of a Conditional Commitment. This fee is payable in addition to the Application fee and equals six and half percent (6.5%) of the annual amount of RHTCs for the Development. For example, if a Development is to receive \$10,000 of RHTCs annually, then the Applicant must pay a reservation fee of \$650.

c. Additional Fee(s)

The Authority will assess the Development and/or Applicant the reasonable costs (including any costs and fees it may incur) for additional or extraordinary services requested by or required of any Applicant, Owner or Development. All such assessments must be paid prior to any final allocation of RHTCs (i.e. the issuance of IRS Form 8609) or before any subsequent Application will be considered, whichever should first occur.

The following is a fee schedule for typical services, however, this schedule is not all inclusive:

Fee Amount	Description of Service
\$150	Resubmission fee for each technical correction identified in the initial application.
\$500	Request for changes in the characteristics of the Development, such as unit type, distribution, or targeting, or for changes to scoring criteria.
\$1,000	Request for issuance of amended IRS Form(s) 8609 due to an error in the submission of final Allocation documentation
	Request for an amended Carryover Allocation resulting from a change in the building identification numbers or other medication

	(i.e. legal description errors, etc.).
\$1,500	Request for changes in the ownership structure; or for request for extensions for meeting special conditions set forth in the Reservation/Conditional Commitment Letter.
	Request to modify any IHCDCA legal documents located in the QAP that require involvement of IHCDCA counsel.

From time to time IHCDCA may set deadlines for particular Developments to submit additional documentation during the IRS Form 8609 review process. A written warning will be given to the Applicant, Owner, and/or Developer once a deadline is missed with no response. However, a \$10 per day fee will be assessed to the Applicant, Owner, and/or Developer for any additional deadlines missed during the IRS Form 8609 review process for that Development.

The fee for these services should be included with the request and must be received before IHCDCA will proceed with its review/process.

3. Use of forms

The Authority requires the use of the forms included in the Forms section of this QAP. Any deviations from or changes to the language will revoke the Rental Housing Finance application and/or award. Owners who have received an allocation in prior years must use the most recent forms, irrespective of the year the allocation was received.

NOTE: Starting with allocations made in 2004, the Owner may provide the Final Application only on the forms from the year in which the Development was funded or the most current version. However, IHCDCA reserves the right to require an Applicant to submit the Final Application on the most current version if information in the submission is missing or is not accurate.

4. Conditional Commitments

If an Applicant receives a reservation of Rental Housing Financing, the reservation is subject to the following conditions, which must be timely completed and satisfied:

- a. Payment to the Authority, in good funds, of the required nonrefundable reservation fee of 6.5% of the annual Credit amount reserved for the Development within 30 business days from the date of the Conditional Commitment.
- b. Pursuant to the Application, the items listed below must be timely submitted to and approved by the Authority within one hundred fifty (150) days after the letter notifying the Owner of conditional reservation:

- 1) An ALTA (or ILTA) survey;
- 2) Building Permit or Documentation of Status Approval;
- 3) Site Plan Approval by Locality;
- 4) Construction Contract;
- 5) Documentation as to the Percent Completion of Plans and Specifications;
- 6) State Approval of Plans & Specifications;
- 7) Federal I.D. Number of Ownership Entity;
- 8) Development Agreement with Fee Structure;
- 9) IHEDA name and logo prominently displayed on funding source signage;
- 10) Monthly Development updates will be required as a condition of the Conditional Commitment;
- 11) The Owner must demonstrate that an adequate amount of funds which, together with its financing, will be sufficient to complete the construction and/or rehabilitation of the Development.
- 12) The Owner must demonstrate that the Development, Development Owner and all other members of the Development Team (including, without limitation, the construction contractor and management agent) are and shall continue to be in compliance with all federal, state and local laws, regulations, rules and other requirements applicable to the Development, Development Owner and the respective parties comprising the Development Team
 - i. Environmental Phase I completed by an experienced and credible disinterested third party hired by the Applicant. The Environmental Phase I must address wetlands and flood plains. Wetland Delineation and USGS maps are required to document the existence of wetlands areas on the site, and must be included in the Environmental Phase I. If there are no wetlands areas on the site, a wetlands delineation is not required but in all cases USGS maps must be included in the Environmental Phase I AND
 - ii. A FEMA flood plain map with the proposed Development site identified must be submitted and placed in Tab K. If a flood plain and/or wetlands are located anywhere on the site, the site plan must show where the buildings, commons areas, and any land improvements will be located in relation to the flood plain and/or wetlands.

100-year Flood Plains: Applications that propose the placement of buildings in a 100-year flood plain must submit the following documentation:

- a) All areas of the 100-year flood plain must be documented by the FEMA map for the areas in which the site is located. The proposed site for development must be located on that map.
- b) A qualified Civil Engineer must document mitigation for impacts to existing floodplains planned for the Development. A resume for the Civil Engineer must be submitted with this documentation.
- c) A FEMA Conditional Letter of reclassification must be obtained for the property that shows that the property is eligible for reclassification out of the flood plain area.
- d) A financing plan and costs for the site work involved in the reclassification.

For all properties that receive an award of RHTCs and are located in a 100-year flood plain at the time of initial application, a final letter of reclassification from FEMA along with an elevation certification must be provided to IHCDCA at the completion of the Development.

If wetlands or hazardous substances exist on the site, the Applicant must submit: 1) evidence that the wetlands or hazardous substances can be mitigated; and 2) a plan, that includes financing, of how the Applicant anticipates to mitigate the wetlands or hazardous substances.

Other documentation as required by the Authority

5. Semi-Annual Progress Reports

All Developments must submit a Semi-Annual Progress Report to IHCDCA on or before June 1st and December 31st each year until IRS Form 8609(s) have been issued for the Development. The Semi-Annual Progress Reports are filed online at: <https://ihcdaonline.com/>

6. Changes in Ownership

IHCDCA Board of Directors must approve any change in ownership or transfer request if made prior to the issuance of IRS Form 8609 for any Development that has received an allocation of Rental Housing Financing and/or Bonds.

Failure to notify the Authority of changes in ownership for RHTCs and/or Bonds after the issuance of IRS Form 8609 could result in the allocation being rescinded and/or possible non-compliance issues.

See Schedule B for IHCD's Ownership Change procedures.

7. Development and/or Applicant/Owner Modifications

Modifications to the Development that affect Threshold Requirements, and/or scoring items in the Allocation Plan in any way without prior written approval from the Authority may result in a reduction and/or rescission of the Authority funding (including private activity tax-exempt bonds).

8. Applying for RHTCs with other Rental Housing Financing

In the event that an Application is competitive for RHTCs but either (1) the Application fails the HOME threshold review; or (2) HOME funds are not available, IHCD will allow the Applicant to submit additional information to identify other means of filling the Development's financing gap. Upon timely receipt of satisfactory information, these applications will continue to be allowed to compete for an allocation of RHTCs.

9. Carryover Allocations

If the Applicant intends to request a carry forward allocation for 2009-2010 RHTCs, all necessary requirements of the Carryover election must be met and the documentation submitted to the Authority no later than November 13, 2009 for those awarded RHTCs in 2009 and November 12, 2010 for those awarded RHTCs in 2010.

The Applicant must certify that the reasonable expected basis in the Development is more than 10% as of the later of the date, which is 6 months after the date the allocation was made or the close of the calendar year in which the allocation is made. The anticipated reasonably expected basis in the Development, which is more than 10%, is required to be expended at the time the carryover election is made. See Carryover Agreement and Ten Percent (10% Letter), Form D.

The Owner may irrevocably elect to enter into a lock-in agreement, pursuant to Section 42(b)(2)(A)(ii) of the Code, to fix the applicable credit percentage for the Development as the percentage is prescribed by the Secretary of the Treasury for a month prior to the month the Development is placed-in-service. A lock-in Agreement (Form F) must be submitted to the Authority on or before the 25th day of the month in which it is desired to lock in the rate for that month. The Authority will execute complete, accurate and correct Lock-in Agreements no later than the 5th day of the following month. In the event that the Owner submits a Lock-In Agreement on or before 25th day of the month which is incorrect, incomplete or inaccurate and which requires a modification, supplementation or resubmission of the Lock-In Agreement, the Authority may, in its sole and absolute discretion, elect to not enter into such Lock-In Agreement prior to the 5th day of the following month. In such case, however, the Authority will notify the Owner of such decision and the Owner will be permitted to withdraw such Lock-In Agreement.

The Authority requires the use of the Carryover and 10% Cost Certification forms provided with this QAP. Any deviations from or changes to the language will revoke the Rental Housing Finance Application and/or allocation.

10. Issuance of IRS Form 8609 (“8609”)

IRS Form 8609(s) will only be issued once. However, in exceptional circumstances the Authority may, in its sole discretion and upon receipt of additional fees (as determined by the Authority) elect to review additional circumstances that may allow for the issuance of amended IRS Form 8609(s). All documents requested shall be submitted to the Authority in a timely manner as defined by the Authority.

The entire Final Application and Final Cost Certification package to request IRS Form 8609 in a form acceptable to the Authority must be submitted as soon as possible after the Development has been placed in service but no later than six months following the issuance of the Certificate of Occupancy/Substantial Completion for the Development and/or the placed in service date of the last building in the Development. The Applicant may request an extension of this deadline, which will be reviewed by IHCD on a case-by-case basis. If this deadline is missed, one warning will be given for the Development. After the first warning, a fee of \$10 per day will be assessed for any additional missed deadlines associated with the Development during the IRS Form 8609 process.

Within one year prior to a request for and issuance of IRS Form 8609 the property management staff assigned to the Development and the owner of the Development must receive an IHCD Rental Housing Tax Credit Compliance Seminar completion certificate. The Management Agreement between the owner and the management company must be for a minimum of two (2) years effective at the “placed in service date”, as evidenced in the management agreement. Upon notification to the Authority, a substitution of management agent prior to the expiration of the two (2) year period is permitted if the management agent is guilty of material nonperformance of its duties. However, if replacement of the management agent is warranted and the Development received points for Minority Owner Business Enterprise (MBE) or Woman Owned Business Enterprise (WBE), the new management must also satisfy these criteria.

The owner must submit at a minimum the following documentation to the Authority within six (6) months from the time the Development is placed in service:

- a. Pre-8609 Physical Inspection Request Form – this form should be submitted as soon as possible after the entire Development is placed in service, even if the other documents for the 8609 package are not available. IHCD will then conduct a physical inspection of the property. All items from the physical inspection must be addressed before IHCD will issue IRS Form 8609; See Form H.

- b. Completed Final Rental Housing Finance Application and Cost Certification (Starting with allocations made in 2004, the Owner may provide the Final Application only on the forms from the year in which the Development was funded or the most current version. However, IHCD reserves the right to require an Applicant to submit the Final Application on the most current version if information in the submission is missing or is not accurate.);
- c. Certificate(s) of Occupancy for each building in the Development, or Certificate(s) of Substantial Completion for all rehabilitation Developments (Electronic PDF Format);
- d. All permanent (closing) financing documents (Electronic PDF Format);
- e. All construction financing documents (Electronic PDF Format);
- f. Current partnership agreement or limited liability company operating agreement, including all exhibits and schedules executed by the limited and general partners or managing member (Electronic PDF Format);
- g. Original executed recorded Declaration of Extended Low Income Housing Commitment, executed by owner, lender and the Authority. Before this document is recorded, IHCD must review and execute it. This process may be done before the Final Application is submitted and the IRS Form 8609 review process has begun;
- h. IHCD Rental Housing Tax Credit Compliance Seminar Certificate. Owner and management agent must have attended within the last year. An Owner that has previously received an IRS Form 8609 for a completed Indiana Development will not be required to attend this Seminar (Electronic PDF Format);
- i. Executed Development Agreement (Electronic PDF Format);
- j. Copy of deed showing partnership as owner (Electronic PDF Format);
- k. Executed Management Agreement (Electronic PDF Format);
- l. Photographs of the completed Development (exterior and interior);
- m. Documentation of MBE/WBE participants. If participants have changed since initial application, copy of the signed contract/agreement and a copy of the entity's certification from the Indiana Department of Administration must be submitted (Electronic PDF Format);
- n. Owner affidavit of services being provided to the Development along with the term for services provided and cost to the tenants; and

- o. Any other documents that the Authority may require in determining the final amount of RHTCs to be allocated to the Development and the Development's conformance with the requirements of Section 42 (Electronic PDF Format).
- p. All documents submitted in an electronic PDF format must be on a CD-ROM.

The Authority anticipates mailing out IRS Form 8609(s) up to ninety (90) working days after the requested materials have been submitted to the Authority. Incomplete or insufficient documentation will result in a delay of the 8609 issuance.

11. Dissemination of Information

Any Applications of Developments which received an allocation of Rental Housing Tax Credits or Private Activity Tax Exempt Bonds, are available for dissemination and publication to the general public.

To request a copy of a funded application for Rental Housing Tax Credits or Private Activity Tax Exempt Bonds, you must:

- a. Submit your request in writing with a postage paid envelope for \$ 2.21 for each application request or your account number for FedEx or Airborne Express.
- b. The name(s) and location(s) (City) of each Development and the year the Development was funded.
- c. Include a check made payable to the Indiana Housing and Community Development Authority in the amount of \$ 4.60 (.10 per page) for each application. (If requesting multiple applications, multiply this amount times the number of applications you are requesting), to cover appropriate copying costs.
- d. Send your request to the IHCD – ATTN: Multi-Family Coordinator, 30 South Meridian St., Suite 1000, Indianapolis, IN 46204.

No request will be processed without the above information. Please allow a minimum of ten (10) days for processing for each request.

- 12. If the potential Development has an open HOME, CDBG, or Development Fund award, the Applicant may request funding through the QAP; however, IHCD must approve this action prior to the Application deadline. Requests will be reviewed and underwritten on a case-by-case basis. If the Application is re-underwritten, the Applicant will be subject to an underwriting fee. Applicants may be required to de-obligate, repay, or reduce the amount of their current award prior to the Application deadline. Applicants must request approval at least thirty (30) days prior to the application deadline.

13. Exchange of Credits

An Applicant may return previously allocated credits to the Authority in exchange for an allocation of current year credits, in an amount not to exceed the amount of the returned credits. The Applicant must establish that despite its timely and diligent efforts, it is in jeopardy of failing to meet the placed-in-service deadline for the building with respect to which the prior credits were allocated as a result of either:

- a. Litigation brought by parties other than the Applicant and that the Applicant could not have anticipated;
- b. Catastrophic events that the Applicant could not reasonably have anticipated or controlled.

To qualify for the exchange of credits, the Applicant must provide supporting documentation with evidence of:

- 1) Due diligence performed by the Applicant in attempting to meet the placed-in-service deadline;
- 2) The specific circumstances causing the delay that jeopardizes the Applicant's compliance with the placed-in-service deadline;

Developments may apply for additional credits if necessary for the financial feasibility of the Development. Additional credits will be allocated based on the availability of credits after October 1st. Developments requesting additional credits must submit their exchange of credits application prior to September 1st. The availability of credits will be determined after all tax credit applications on the IHCD waiting list have either been reserved or denied credits.

In order to complete the exchange, the allocation must be returned under Section 42 Treasury Regulation 1.42-14 and a new carryover allocation must be completed for the allocation.
